CHANGE OF SCHEDULE INFORMATION

Cancellation due to environmental factors such as heavy rain, snow, extreme heat, wind, fire, icy road conditions, etc. will be determined the day before the field trip (in some cases the day of the field trip). The management of the Oak Glen Outdoor Discovery Program will contact the school or a designated school official. For ease of notification, **please supply an alternate phone number** if no one will be available at the school during this time.

Should a school cancel prior to its field trip date based on predicted weather, a reschedule date may not be offered.
